About QC Kinetix (Sandy Springs)

If you are looking for a sports injury clinic in Sandy Springs, we can help. At QC Kinetix (Sandy Springs), we provide non-surgical regenerative medicine therapies for joint pain to residents of Sandy Springs and surrounding areas. Our regenerative medicine treatments are a perfect solution for anyone seeking alternative surgical procedures for pain. At QC Kinetix (Sandy Springs), we have many treatments available for individuals who have experienced significant joint inflammation or arthritis pain. From our biologic therapy program to surgical procedures, we have options to help you get back to the activities you enjoy. Our goal is to provide quality care at an affordable price while helping you recover from your injury or condition as soon as possible. Our staff is highly trained to diagnose and treat a wide variety of conditions using regenerative medicine therapies that do not require surgical procedures. Our provider uses the latest medical technology to diagnose and treat injuries using targeted regenerative medicine therapies that help our patients feel better faster.
